FORMER NAMES

The state legislature established the normal school at New Whatcom in 1893. It was called New Whatcom State Normal School (1893-1901), Whatcom State Normal School (1901-1904), and Bellingham State Normal School (1904-1937). Classes were first held in September 1899. The baccalaureate degree was first offered in 1933. The name was changed in 1937 to Western Washington College of Education, in 1961 to Western Washington State College, and in 1977 to Western Washington University.

ACCREDITATION

Western Washington University is accredited by the Northwest Commission on Colleges and Universities.

DEGREE REQUIREMENTS

180 quarter hours of credit are required for the baccalaureate degree. Prior to June 1, 1971, 192 quarter hours of credit were required.

COURSE NUMBERING

001-099	no credit	300-399	third-year courses
100-199	first-year courses	400-499	fourth-year courses
200-299	second-year courses	500-699	graduate level courses

FAIRHAVEN COLLEGE GRADING

Prior to Fall Quarter 1987, academic records for Fairhaven College students were posted and maintained yearly rather than quarterly. Completions carry the prefix FAIR and the transcript notation is "S" (satisfactory). Written student-faculty evaluations are required for the official awarding of credit. Conventional letter grades appear quarterly for studies taken in other WWU departments. GPA is not computed for Fairhaven College students. Degree requirements for Fairhaven College include a core program and completion of either a student-faculty designed concentration or an established WWU major.

OTHER ABBREVIATIONS

(AP)	Advanced Placement	(COR)	Correspondence
(CIS)	Contract Independent Study	(WI) or (WP)	Writing Proficiency
(RIP)	Resident Ind Study Program	(EXM)	Course Challenge

UNDERGRADUATE AND GRADUATE LEVELS

Prior to Fall 1999, post-baccalaureate course work was included in the graduate section of the transcript. Beginning Fall 1999, post-baccalaureate course work taken while a student was not enrolled in a master's degree program appears on the undergraduate level transcript. Master's and post-master's course work appears on the graduate transcript.

TRANSFER CREDIT

Undergraduate transfer credit totals are accurate but names of some transfer institutions may not be included.

GRADING

The grade point average is calculated by dividing the total number of points by the total number of credits accumulated in courses in which the student has received a final grade, including grades of F and Z and excluding grades of P, NP, S and U. To determine points for an individual course, multiply the number of credits according to the following table.

This Academic Transcript from Western Washington University located in Bellingham, Washington is being provided to you by Credentials Inc. Under provisions of, and subject to, the Family Educational Rights and Privacy Act of 1974, Credentials Inc. of Northfield, IL is acting on behalf of Western Washington University in facilitating the delivery of academic transcripts from Western Washington University to other colleges, universities and third parties using the Credentials' TranscriptsNetwork™.

This secure transcript has been delivered electronically by Credentials Inc. in a Portable Document Format (PDF) file. Please be aware that this layout may be slightly different in look than Western Washington University's printed/mailed copy, however it will contain the identical academic information. Depending on the school and your capabilities, we also can deliver this file as an XML document or an EDI document. Any questions regarding the validity of the information you are receiving should be directed to: Registrar's Office, Western Washington University, 516 High Street, Old Main 230, Bellingham, WA 98225-9008, Tel: (360) 650-3301.

<u>Grade</u>	<u>Grade Points Per Credit</u>	
A	4.0	Excellent
A-	3.7	
B+	3.3	
B	3.0	
B-	2.7	Good
C+	2.3	
C	2.0	
C-	1.7	
D+	1.3	Fair
D	1.0	
D-	0.7	
F	0.0	
Z	0.0	Failure (unofficial withdrawal)

The following grades carry no grade points:

AUD	(Audit, no credit)	SW	(School Withdrawal)
K	(Incomplete)	U	(Unsatisfactory)
NP	(Not Passing)	W	(Course Withdrawal)
P	(Pass)	X	(No grade reported)
S	(Satisfactory)		

Grades A through D-, S, and P are considered passing. Some courses are graded on the S/U system. For these courses, appropriate curricular agencies have determined that the A-F system is inappropriate. Neither "S" nor "U" is considered in the calculation of grade averages. Pass/Fail grading is available on an optional basis to students in courses taken to fulfill electives. "P" and "NP" identify courses taken on the Pass/Fail basis and are not counted in computing grade point averages.

K followed by another grade indicates that the K (incomplete) has been removed (changed) e.g., KA means that the K grade has been changed to a grade of "A".

An asterisk (*) following a grade indicates that the grade is not included in the calculation of the cumulative grade point average due to the student having been granted a Fresh Start GPA (see below).

FRESH START

Undergraduate students who return to WWU after an absence of five years or more may request a Fresh Start grade point average. Grades marked with an asterisk (*) indicate that the student was granted a Fresh Start and those grades are not included in the calculation of the cumulative GPA.

COURSE REPEATS

The repeat rules have changed over the years. Courses marked with "I" in the Repeat (R) column have grades that are included in the grade point average and in the total earned credits. Courses marked with "E" in the Repeat (R) column are excluded from both the grade point average and the total earned credits. Courses marked with "A" in the Repeat (R) column are included in the grade point average but excluded from the total earned credits. The current catalog will indicate the repeat rule currently in effect.
